

C Size VSLS

The Hi-Lux Variable Speed Limit Signs (VSLS) are the most common electronic speed sign in Victoria and the C size is the largest model sold by Hi-Lux. Featuring battery backed 240Vac connection, door alarm, vertical tilt alarm, GPS tracking, LED fault detection, event logging, remote monitoring and control, scheduled control, automated dimming and synchronised flashing. Available in pole or trailer mount options.

The Hi-Lux Electronic Speed Limit Sign Series can communicate back to a control centre with a number of protocols including RTA, HTS, NMS, or even connected to a controller on relay output. Protocols can be transmitted by RS232, RS422, RS485, 900Mhz Radio, Ethernet or Telstra Next-G.

Features

- Hi-Lux Constant Current Driver Technology
- Changeable Speed Sign
- LED Fault Detection
- Multi-Stage Dimming
- Standard 24 Month Warranty
- Extended Warranty up to 10 Years (optional)
