

Pole Mounted Enclosure

The Hi-Lux pole mount series of enclosures are specifically designed for installation on poles to withstand vibrations, adverse weather conditions, vandalism and are even designed to limit the damage encountered during a collision.

The pole mount series features adjustable $\frac{3}{4}$ width rack mount rails which allow a diverse range of equipment to be installed. Many optional additions can be purchased including extra gear trays, battery compartments, shelves or laptop stays.

Features

- IP56 Rating
- Document Holder
- Adjustable Internal Mounting Rail System ($\frac{3}{4}$ Width Rack)
- Flush Fitted Door with 3-Point Locking
- All welded seams
- Anti-Graffiti Paint
